

"This Is The Day"

Yeah
Just clap yo hands like this
Just clap your hands like this

Yeah let's wake up the church with this old school jam
Shout to the lord in here
You know that he's good and his mercy endureth forever and the people of God said
They said what

And the people of God said yeah
And the people of God said yeah
And the people of God said yeah
And the people of God said yeah

Now we serve notice to depression, confusion
All manner of evil and every sickness
You can't bind but you cannot stay
Cuz the people of God we ain't havin' it
It's a good day, even though I cried last tuesday
And I was outta cash by friday
No matter what comes next, I'm gonna stand up
And give him the praise
Cuz this is the day

This is the day, this is the day
That the lord has made, that the lord has made
I will rejoice, I will rejoice
And be glad in it, glad in it

This is the day that the lord has made
I will rejoice and be glad in it
This is the day, this is the day
That the lord has made

This is the day, this is the day
That the lord has made, that the lord has made
I will rejoice, I will rejoice
And be glad in it, glad in it

This is the day
That the lord has made
I will rejoice and be glad in it
This is the day
This is the day that the lord has made

This is the day
That the lord has made
I will rejoice and be glad in it
This is the day
This is the day that the lord has made

That the lord has made
That the lord has made
That the lord has made

As I look back over all the years that I made it through
Can't imagine (ooh ooh) where i'd be now (ooh ooh) if it wasn't for you (wasn't for you)
Why your favor rests upon me I could never explain Your favor is just what I needed
Why your favor rests upon me I could never explain Your favor is just what I needed
Why your favor rests upon me I could never explain Your favor is just what I needed
But I'm so glad that I can say
I will rejoice

And the people of God said yeah
