

**CITY OF BOWIE**  
**Transportation Specialist I/  
Transportation Specialist II**  
**Planning and Community Development Department**

**Transportation Specialist:** The Transportation Specialist position is located in the Department of Planning and Community Development. This position is responsible for reviewing, planning, designing, and overseeing studies and projects related to the City's Trails Master Plan, Complete Streets Policy, overall transit strategy, Adopt-a-Road program, and the Neighborhood Traffic Management Program.

**Job Functions:**

- Manages bicycle, pedestrian and other sustainable transportation studies and plans, including the procurement and management of consulting firms. These plans provide the basis for investment of public resources through the establishment of long range policy objectives and near term investment programs.
- Reviews transportation and real estate development projects to ensure the provision of facilities and programs supporting transit ridership, bicycling, walking, teleworking, ridesharing, and car-sharing and the safety of these users of the transportation system.
- Develops or recommends standards for specific projects.
- Plans for new facilities/routes and recommends repair/improvements to existing facilities/routes.
- Develops public information and outreach campaigns to educate drivers, bicyclists, and pedestrians concerning bicycle and pedestrian safety.

**Minimum Qualifications:**

**Transportation Specialist I**

- Bachelor's degree in urban and regional planning, transportation planning, economics, political science, business/public administration, or closely related field.
- One to three years of experience that includes policy analysis, program development and implementation tasks relating to bicycle/pedestrian safety and multi-modal transportation planning, or similar duties.
- Certain combinations of relevant experience or training may be acceptable.

**Transportation Specialist II**

- Bachelor's degree in urban and regional planning, transportation planning, economics, political science, business/public administration, or closely related field.
- Five years of experience that includes policy analysis, program development and implementation tasks relating to bicycle/pedestrian safety and multi-modal transportation planning, or similar duties.
- Experience in program planning and coordination.
- Certain combinations of relevant experience or training may be acceptable.

**Preferred Qualifications:**

- Membership in the American Institute of Certified Planners (AICP) highly desirable for either position.

***\*COVID-19 vaccination required in order to qualify for this position***

**SALARY:**

**TRANSPORTATION SPECIALIST I:** \$62,476 – \$71,850 *Depending on Qualifications*

**TRANSPORTATION SPECIALIST II:** \$76,322.00 - \$83,000 *Depending on Qualifications*

**Employee Benefits:** Telework and flexible scheduling; Excellent medical, dental, vision, life and long-term care insurance; 401(k) with employer match; 457 savings plan.
